or

return this form to **VTS-asuntotarkastukset, Puutarhakatu 8 A, FI-33210 Tampere.**

INSTRUCTIONS:

- 1) Check your flat immediately before you move in and note any **defects or shortcomings** in this form. This is to make sure that you will not be held liable for any damages caused by the previous tenant. **Make sure you sign the form and include your phone number on it!**
- 2) Please return this form to the VTS-kodit office within **two weeks** of the effective date of your agreement. Unfortunately, we cannot accept forms handed in later than this.
- 3) VTS-kodit will **process** all defects and shortcomings listed in the form, but only those that actually impede living in the flat will be rectified. Please also indicate **whether repair workers can enter your flat** using the master key when you are not at home. A note of any repair works carried out will be left in the flat for your information.

For any **defects and shortcomings that develop after you have moved in**, please contact your facility management company. You will find the contact details on the noticeboard in the building.
